PETITIONER'S COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 275C3 to Ozona, Texas, as that community's first aural broadcast transmission service. Ozona is a census designated place (CDP) and the county seat of Crockett County. Ozona has a population in excess of 3,700 people. Ozona has its own school system, its own post office, its own volunteer fire department and a number of local churches. The proposed channel 275C3 will provide additional diversity and an outlet for local self-expression to Ozona residents and therefore is in the public interest.
